#####2018 REGULAR SESSIONHOUSE BILL NO. _____ BY:
Representative Leger FEES/LICENSES. Provides for a fee for an expedited licensing survey process for facilities and providers licensed by the Louisiana Department of Health. AN ACT To enact R.S. 40:2006.2 relative to licensing of healthcare facilities and providers by the Louisiana Department of Health; to provide for optional licensing fees for such facilities and providers; to establish the amounts of such fees; to provide for an expedited licensing process; to require submission of a report concerning the expedited licensing proves to certain legislative committees; and to provide for related matters. Be it enacted by the Legislature of Louisiana:

Section 1: La. R.S. 40:2006.2 is hereby enacted to read as follows: §2006.2. Expedited Licensing Process; FeesThe Louisiana Department of Health, hereinafter referred to as Department, is authorized to establish an expedited licensing process for healthcare facilities and providers that are licensed by the Department.The Department is authorized to promulgate any necessary rule to provide for the expedited licensing process; any such rule promulgated by the Department shall be in accordance with the Administrative Procedures Act. The fees for the expedited licensing process shall be assessed in an amount not to exceed seven thousand five hundred dollars. The expedited licensing process fee shall be payable to the Louisiana Department of Health at the time an expedited licensing application is submitted to the Department by a healthcare facility or provider. The expedited licensing process may provide for initial facility licensing, offsite facility or satellite location licensing, and replacement or relocation facility licensing. The expedited licensing process may also provide for licensing of additional services or beds or other actions at an existing facility or provider that requires a physical environmental survey. The expedited licensing process provided for in this Section is at the discretion of the provider or facility requesting such expedited licensing process. If a facility or provider submits an expedited licensing process application and pays all applicable expedited licensing process fees, then the Department shall prioritize the application. Once the Department receives and approves the completed expedited licensing application packet, the Department will notify the facility or provider that it may contact the licensing section of the Department and provide the date that the facility/provider is ready for the expedited survey; the Department shall conduct the expedited licensing survey within ten working days of the readiness date indicated by the facility/provider. The Department shall refund the expedited licensing fee amount paid by the facility or provider, less the regular licensing fee as provided in R.S. 40:2006, if the expedited licensing survey is not conducted within the time period specified this Section due to the Department's fault.The Department shall retain additional staff to conduct expedited licensing surveys; the Department shall not utilize existing employees who conduct regular licensing surveys to conduct the expedited licensing surveys.

H. The Department shall ensure that no facility or provider seeking approval to apply for licensure pursuant to a pre-licensing facility need review process provided for in this Chapter is affected by another provider of the same license type choosing the expedited licensing process instead of the regular licensing process. Section 2: On or before February 1, 2019, the secretary of the Louisiana Department of Health shall submit a written report to the House and Senate committees on health and welfare regarding implementation of the expedited licensing process authorized by R.S. 40:2006.2, as enacted by Section 1 of this Act. At a minimum, the report shall include the number of providers that elected to seek the expedited licensing process in the period addressed by the report.

Section 3. This Act shall become effective upon signature by the Governor

or, if not signed by the Governor, upon expiration of the time for bills to become law without signature by the Governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If vetoed by the Governor and subsequently approved by the Legislature, this Act shall become effective on the day following such approval. ####CODING: Words in struck through type are deletions from existing law; words underscored and bold-faced type are additions. # EMBED Word.Picture.8 ###
